

2011 Deer Hunting Seasons

Hunters with valid Idaho licenses and tags in their possession can hunt mule deer and/or white-tailed deer.

How many deer can I harvest? In general, the answer is 1 deer per hunter per year. However, a few controlled hunts and depredation hunts offer the opportunity for hunters to harvest additional deer. Deer hunters also may buy leftover nonresident deer tags at the nonresident price to harvest a second deer. A hunter may take only one deer per valid legal tag in his or her possession.

Note: Residents or nonresidents may buy one unsold nonresident general season deer and elk tag at the nonresident price starting August 28, to be used as a second tag.

Youth hunt only: Some deer hunts are for youth only. Only hunters 12-17 years of age with a valid license and tag may hunt antlerless deer in these hunts.

Antlered deer: Deer with at least 1 antler longer than 3 inches. In antlered only seasons, or any hunt with point restrictions, antlers must accompany the carcass while in transit.

Antlerless deer: Deer without antlers or with antlers shorter than 3 inches may be taken in a season open for antlerless deer or either sex.

Two-point deer: Deer with no more than 2 points on 1 side, not including the brow point or tine, and at least 1 antler longer than 3 inches. A point is an antler projection that is at least 1 inch long and longer than the width of the projection.

Three-point deer: Deer having at least 1 antler with 3 or more points, not including the brow point or tine.

Species identification: In seasons restricted to mule deer only or white-tailed deer only, if the head is removed, the fully-haired tail must be left naturally attached to the carcass.

Archery and Muzzleloader Permits

Any person hunting in an archery-only season, including controlled hunts, must have their license with archery permit validation.

Any person hunting in a muzzleloader-only season, including controlled hunts must have their license with muzzleloader permit validation.

Use of Nonresident Deer Tag for Black Bear or Mountain Lion

Nonresident deer tags, **excluding** nonresident junior mentored deer tags, are valid to take a black bear or mountain lion instead of a deer, if a season is open for that species, where and when the deer tag is valid, and if there is an open deer season in that same unit. See page 77.

Attention Deer Hunters!

Deer hunters may choose either a regular deer tag or a white-tailed deer tag. The regular deer tag is valid for **any** hunt listed under “2011 Regular Deer Tag Seasons” on pages 9-13.

The white-tailed deer tag is valid for white-tailed deer **only**, for any hunt listed under “2011 White-tailed Deer Tag Seasons” on pages 14-17.

WIN THE HUNT OF A LIFETIME

Every year, 32 lucky hunters walk into the field with special **Super Hunt** tags in their pockets. These tags allow a hunter to pursue an elk, deer, antelope or moose in any open hunt in Idaho. Hunters who have won this privilege call it a "hunt of a lifetime."

The thrill is quadrupled for two **Super Hunt Combo** winners who are able to hunt all four species in any open hunt. This unqualified freedom to pursue world-class big game in Idaho is an experience winners will long remember.

One entry for as little as \$6 offers you the chance to win in the Super Hunt drawings. When you buy more, you receive a discount.

- A single **Super Hunt** entry for a specific species costs \$6, then each additional entry for the same species is \$4.
- A single **Super Hunt Combo** entry costs \$20 and each additional entry costs \$16.

Super Hunt tags are in addition to any general and controlled hunt tags a hunter has applied for or may already hold. All other rules of individual hunts apply.

Stories from Super Hunt winners and additional information can be found on Idaho Fish and Game's website: <http://fishandgame.idaho.gov>.
